Financial Aid

Our financial aid program is *need-based* and is designed to make Brooks School accessible to qualified students

In the 2020-2021 school year, Brooks will award $5,225,000 in financial aid

Approximately 32% of Brooks students receive financial aid

Families interested in applying for financial aid should fill out a Parent Financial Statement (PFS) at https://www.solutionsbysss.com/parents

Brooks will wait-list an applicant who qualifies for financial aid if we do not have both financial aid and a place available.

NOTE: *This policy differs from school to school. This is a good question to ask at your interview.*
