

Donor-Advised Fund Gifts

Do you have a Donor-Advised Fund (DAF)?

Many Brooks alumni, parents and friends have created DAFs with the financial institutions they bank and invest with, using DAFs to support their highest philanthropic priorities. DAFs are an increasingly popular charitable vehicle, due to their administrative simplicity and other benefits.

Supporters of Brooks School have directed their DAFs to make Brooks Fund gifts and have named Brooks as a beneficiary of their DAF within their estate and legal planning.

To talk more about how a DAF might be useful to you in your giving to Brooks, contact Heather Ferrara Director of Planned Giving, with your questions by phone: 978-725-6275 or email: hferrara@brooksschool.org.
