The Interview

Relax. You will be talking about yourself. Academics, athletics, extracurricular activities, community service, and special interests are all important to share. This is an opportunity for you to learn about the school. Ask questions.

Questions Often Asked in the Interview

Academics
How do you think your teachers would describe you as a student?
How much time do you spend on homework each day?
What are your favorite subjects? Why?
Do you currently feel academically challenged?
Can you talk about a teacher who motivates you? How do they do it?
What kind of reading do you like to do?
What type of classroom setting do you do your best work in?

Extracurricular Activities
What activities do you enjoy outside of the class day?
What are you most passionate about outside of school?
How would your teammates & coaches describe you?

General
Tell me about your family.
What are your expectations for your high school experience?
What challenges or concerns do you anticipate in your first year?
What excites you about your high school experience?
What is important to you when choosing the right school?
