This chart displays what current Brooks families are contributing towards a Brooks education, based on their income bracket. Please remember that, while important, income is only one factor in determining the amount of a family's contribution. There are a number of other factors that influence what a family is asked to contribute, including assets, debts, size of family, and tuition at other schools.
Each application for financial aid is unique and is considered as such.

**Family Contribution**

**Total Reported 2024 Income**

| | $0 - $5,000 | $5,001 - $10,000 | $10,001 - $20,000 | $20,001 - $30,000 | $30,001 - $40,000 | $40,001 - $50,000 | $50,001 - $60,000 | $60,001 + | Total # Receiving Aid | Average Contribution |
|---|---|---|---|---|---|---|---|---|---|---|
| $0 - $50,000 | *12* | | | *1* | | | | | *13* | *$3,523* |
| $50,001 - $100,000 | *13* | | *3* | | | *1* | *1* | | *18* | *$9,261* |
| $100,001 - $150,000 | *6* | *6* | | | | | | *1* | *13* | *$8,623* |
| $150,001 - $200,000 | *1* | *2* | *9* | *3* | | | | *2* | *17* | *$20,125* |
| $200,001 - $250,000 | | *3* | *3* | *2* | *1* | | *2* | | *11* | *$25,045* |
| $250,001 - $300,000 | | | *4* | *2* | | *1* | | | *7* | *$22,575* |
| $300,001 - $350,000 | | | *1* | *4* | | *4* | *1* | *1* | *11* | *$37,545* |
