

2019 Alumni Bowl Recipient

Ashley Wightman Scott '84, P'11, P'14

Thoughtful service and exemplary dedication as a steadfast volunteer

Ashley Scott began volunteering soon after she graduated from Brooks and has served in countless roles from class correspondent to admission host. She has kept Brooks close as an alumna, parent and trustee. No role has been as key as her chair for *The Campaign for Brooks*, when she steered the school in a successful five-year effort to meet all of our campaign goals. Her willingness to go anywhere and meet with anyone as long as it could be helpful to Brooks proved an invaluable tool that led to our completion of the campaign in June 2018. We are grateful to Ashley for her love for the school and her willingness to partner with us each step along the way.
