Brooks Together: A Banner Year for Participation!

Current parents supported the Brooks Fund through the *Brooks Together* effort wonderfully this year. We are truly appreciative of all you have done to support the school.

Special thanks to co-chairs Jeffrey and Julie Clements P'16, P'18, P'21, and Sean Riley P'20, P'21 for their leadership. We want to thank our parent form leaders: Andrew and Chrissy Chaban P'17, P'19, John and Kristin Sheehan P'15, P'17, P'20, and Tom and Maureen Scott P'17, P'21. The success we achieved rests

with the hard work of all members of our parents committee. Thank you.

As your children return home for the summer, please know that your generosity and support for Brooks has directly impacted our ability to deliver exceptional programming and has changed the lives of our students for the better.

Pledges still outstanding can be paid until June 30. They must be postmarked by that date. Thank you.

A Thank You From The Admission Office

The admission office would like to thank the many parent volunteers for your help over the past year. From referring families to assisting at admission events both on and off campus, you were invaluable. We are so appreciative of your time and your support. We are looking forward to welcoming just over 100 new families to campus in the fall. Thanks again for all that you do to support Brooks!

Parents of Recent Grads: Technology Reminder

All graduates' accounts will be disabled on Aug. 1. All user folders/network folders and emails will be turned off on that date. Any accounts that are currently under a brooksschool.org address should be changed to a personal email or a new college email address. Please make sure that the school to which your student has matriculated has a contact other than a Brooks School address. Questions? Contact Director of Technology Ryan Dobbins (rdobbins@brooksschool.org).

Parent Survey: We Want to Hear From You!

As we look ahead to a new school year, we would love to hear from you regarding parent events and communications. What have you enjoyed? What would you like to see? We want your input -- parents of recent graduates included! Click [here](#) for the brief survey. The more responses we receive, the better we can work over the summer to ensure a strong parent program. Thank you in advance!
