

To make way for Brooks School's new Center for the Arts, the visual arts building was taken down on Wednesday, and the auditorium (shown here) is scheduled to follow early next week. Read all about the incredible new facility on our [website](#) and visit our Smugmug page for [images of the project](#) as it transforms campus!

## A Thank You From the Admission Office

The admission office would like to thank the many parent volunteers for your help over the past year. From referring families to assisting at admission events both on and off campus, you were invaluable. We are so appreciative of your time and your support. We are looking forward to welcoming just over 100 new families to campus in the fall. Thanks again for all that you do to support Brooks.

---

### *Brooks Together: We Are So Grateful!*

Thank you for another winning year for Brooks Together! You, our parents, donated \$992,233 to the Brooks Fund - a tremendous gift from those who already have done so much for the school.

We are so grateful to the 73 percent of our parents who gave to the Brooks Fund this year. Parent participation is a key metric for a school and, while our revenue is strong, our participation is lagging behind last year's by nearly 10 percent. If you have not made a gift this year, you can still help us match our 80 percent achievement from last year. Please remember, gifts of *any size* matter, so [click here](#) to make your gift.

Special thanks go out to "graduating" co-chairs, Zach and Laurel Martin P'15, '17 and John and Jennifer Runnells P'17, for their leadership this year. We also thank our parent form leaders: John and Kristin Sheehan P'15, '17, '20, Andrew and Chrissy Chaban P'17, '19, and Jeff and Julie Clements P'16, '18, for their hard work.

As your students return home for the summer please know that your generosity has directly impacted our ability to deliver exceptional programming, provide faculty development opportunities and, with the renovation of the student center that has already begun, literally change the lives of Brooks students.

---

### Parents of Recent Grads: Technology Reminder

All graduates' accounts will be disabled on June 28. All user folders/network folders and emails will be turned off on that date. Any accounts that are currently under a brooksschool.org address should be changed to a personal email or a new college email address. Please make sure that the school to which your student has matriculated has a contact other than a Brooks School address. Questions? Contact Director of Technology [Ryan Dobbins](#).

---

### Opening of School 2017

- **September 4:** Football players and student leaders on campus (*by invitation*). International students may return on this date; arrangements must be made in advance through the Dean's Office.
- **September 5:** All new and returning students on campus
- **September 6:** Classes begin

A detailed schedule will be available mid-summer.

---

## School Store Summer Hours

The School Store is open all summer! The hours are Monday through Friday, 10 a.m. - 3:30 p.m. Please note: The store will be closed June 12 - 14 for inventory.
