## We Want To Hear From You!

Thank you to those parents who completed the survey last week. We would love to hear from even more of you! Please click [here](#) for the brief survey regarding parent events and communications. The more responses we receive, the better we can work over the summer to ensure a strong parent program.

In addition, earlier in the week you should have received a link to complete a survey regarding mental health and counseling services at Brooks. The school is in the process of assessing our support of students in these areas and welcomes your thoughtful and honest feedback on this important topic. The link is [here](#) as well, but if you have filled it out already, there is no need to complete it again.

Thank you in advance for sharing your thoughts with us!
