Last year's Afternoon Program activities:

Fall: \_\_\_\_\_ Winter: \_\_\_\_\_ Spring: \_\_\_\_\_

Current year's Afternoon Program plans:

Fall: \_\_\_\_\_ Winter: \_\_\_\_\_ Spring: \_\_\_\_\_

Flex Program Explanation/Procedures:

Occasionally a student may be interested in pursuing his/her passion at a higher level outside of Brooks. Flexibility may be afforded to that student using the following guidelines:

- The student is involved in an established program outside of Brooks School.
- The student participates in both the outside program and one at Brooks, giving more days to the school program than to the outside one.
- Students may not be members of a Brooks' varsity interscholastic team while using the flex option.
- The student will only be granted this flexibility in one season per year. Flex plan participation does not replace the requirement to participate in a full season of an interscholastic sport for third, fourth or fifth formers. Fifth formers must participate in two team offerings in the non-flex season. Sixth formers must participate in at least one team offering in a non-flex season.
- The student must remain in good academic and disciplinary (including attendance) standing.
- Boarders will not be allowed to have cars on campus to facilitate transportation for a flex option.

Flex Option Plan proposals for the fall season must be submitted by Thursday, May 25, 2017 and will be reviewed by a committee for approval. Applications for both the winter and spring seasons will be due on October 25, 2017.

**Please return the completed application to the Athletic Department. Being granted an afternoon Flex Option is a privilege. We expect that all applications will be well thought out,**

**thorough in details and complete before being handed in for the committee to review. Only complete applications, received by the due date, will be considered.**
