

Dear Senior Families,

On behalf of the college office, we hope you have had a restful and enjoyable summer. It's thrilling to think about the beginning of the 2019-20 school year, and we look forward to working closely with all of you in what will be your final chapter at Brooks. It will certainly go quickly, and will be filled with a lot of excitement, some anxiety but in the end a gratifying culmination of a memorable journey.

We will be sending 6th Form students and families office updates on the 1st and 15th of every month, beginning September 1st through the New Year. The first will be sent out before Labor Day Weekend. The email notifications will come from Christine Jackson and each update will provide critical information, necessary steps, deliverables we expect from students, test registration deadlines and other detailed elements of the process.

Also, on Thursday, September 5th, we will be dedicating a few hours of the day to the 6th Form, to review related material in anticipation for a busy fall. It will be a great jump-start to the year and will certainly help with organization of applications, essays and much more as classes begin. Details will be provided in our first email bulletin.

This indeed will be a fast-paced, yet fulfilling semester that we are excited to embark on with you. In the end, we are hopeful that this collaborative effort will be as rewarding for you as it will be for us. Should you have any questions, please do not hesitate to reach out to myself, Kristin Moody, Wendy Brennan or Christine Jackson. All the best as we begin the new school year.

Sincerely,

Andy Campbell
Dean of College Counseling
