

## Packing Guide 2022-2023

This document is intended to help you with what you will need and should bring with you to school.

All rooms are equipped with a bed, mattress, desk, chair and bureau. Beds are extra-long twin size. A dorm room is considered a place of study and students are encouraged to arrange their rooms in a comfortable manner conducive to studying. Outside furniture and decorations are permitted so long as they are within the parameters outlined in the [dormitory fire and decoration regulations](#). **All students must maintain a bed, desk and bureau in their room.** Furniture or appliances deemed excessive, that don't comply with state fire regulations, or are distractions to studying may be asked to be removed by the dorm faculty member.

### **FOR ALL STUDENTS**

Technology (see the [required device policy](#) for more information):

- laptop computer
- TI-84 graphing calculator

School supplies (also available in the school store)

Seasonal clothing which meets [dress code expectations](#)
