

2022-2023

At major breaks (Thanksgiving, Winter and Spring break), the school makes available chaperoned transportation to Boston's Logan Airport (the *start* of break only, \$40) and to Connecticut/New York City (*start* and *end* of break, \$135 each way). For return transportation to Brooks from Logan Airport, the school has compiled a list of [transportation services](#).

Buses typically depart at noon on the day of Thanksgiving and Spring break, earlier on the day of Winter break. Students are responsible for leaving adequate connection time at airports or train stations.

Starting November 11, students may sign up for these transportation options through their leave request in REACH. Costs are charged to a student's account.
