

Welcome to Brooks!

Nicole Mallen Jackson '95

As Associate Director of Alumni and Parent Programs, I would like to introduce myself and put a face to a name you will be seeing quite often during this upcoming year! A graduate of Brooks myself, I know firsthand what a truly enriching experience lies ahead for your child. I hope you are as excited as we are to welcome you to campus in a few short weeks.

Beginning next Thursday, and continuing every Thursday for the entirety of the year, you will receive a parent e-newsletter from this address. In it, you will find announcements, reminders, the weekend's activities, upcoming events and more. My hope is that it provides you with a clear sense of the happenings here at school. *(Please note, if you have previously opted out of receiving Brooks School email from Constant Contact, you will not receive the newsletter and should send us an updated email address).*

The [Parent Page](#) of the Brooks website is a great resource where you can find school contacts, FAQ, the yearly calendar and so much more. There, you will find a link to join our newly-created [Brooks School Parents](#) facebook page, a place we hope will be active with questions, advice

and information-sharing. Finally, we welcome your help in various ways during the year and would love to have you [volunteer](#) if so inclined.

Please know you can contact [me](#) at any time--no question is too small. I look forward to meeting you at our New Family Reception (see below) or during Opening Days here on campus. Enjoy the rest of your summer!
